A very curioussuicide, or attempt at spicide.nt the Farringdon Road Station. A Mr. The question of a remedy for these abuses has George Stevens, who, in a letter to his been often discussed, but the result seems as far mother, found in his pocket, intimates that and her issue is bastardised; whereon a great Hongkong Association. Let us hope that, touch- train. After shooting himself, he appears to

off as ever. The overlayed and greaning com- peouniary troubles were the cause of distress, munity direct their patient and respectful gaze shot himself with a revolver, under cover of the embassy. If the principle laid down by the munity direct their patient and respectful gaze shot himself with a revolver, under cover of the Court be valid, there are hundreds of marriages towards the lotus eating committee of the noise caused by the arrival of the 10.30 evening to in Paris which are topso facto invalidated. But ed by the beseaching looks of those among them, have got out of the train and attempted to is that principle a sound one. The British they will heatir themselves, individually and col- ascend the staircase, when he paused, fell, and embassy would never marry a Frenchman with ectively, and device some eminently practical became insensible, and was lying at the station. In Englishwoman, acting on the principle that remedy for the diseases of the colony. It may master's office at the last advices. What sugmon be too late, and the Hongkong Association gosts itself as remarkable in this case is, that will then find it uscless to attempt to galvanize the suicide, having shot himself in the left breast. marriago of a Frenchwoman with an Engthis corpse of Hongkong. The commercial life did not wait for the result where he was, but mov. Behman is a very different case. The Court will ere long flee to the congenial atmosphere edonlikes spont ball, in the direction in which he itself admits that had the marriage been perof Canton, where it will be festered by an en would have moved had he made no such attempt formed in England it would have been valid, by tened and practical Government. On his life, till life failed him. Was the power but lays down the novel idea that the British Hongkong from her present troubles, and we a man who had killed himself, or had believed.

AMUSING STORY

(Pall Mall Gazette.) naval commander in chief he was, says the son, dent for some time in the place where the emof my privilege of access to him at all times, turned. Were her marriage over so legal, as and, if you refuse permission, you will take the her husband was an Englishman, he could consequences. His Imperial Majesty was not dispose of his personal property by will, and Mejesty of the contemplated plan of searching John Crown, a captain in the Blues, say marries his ship; there was to be a military review Mademoiselle de Trois Etoiles, at the embassy by the Emperor the next day, and while the bore, without going through the requisite for review was proceeding troops were to be sent mulities of being first married at a French on board his ship to offer him this indignity. mairie, he will be lawfully married whenever If they came on board, he told the Emperor, he goes to England, but when he comes to he would treat them as pirates. The story France he is not married at all. He may concludes thus. "Well," replied his Majesty, "you seem to land, whilst he would not be a bigamist is length acceptaint; but the plot is not mine, France.

Authorities are too weak to carry out, and allowed to be purchased, is on account of army In summing up the case to the jury, his of those means which have proved successful in found more than we already know of from At a negro ball, in lieu of "Not transferable" yourself." I then entreated his Majesty to on the tickets, a notice was posted over the door take such steps for my justification as would "No gentleman admitted unless he comes hisbe satisfactory to the public. "There is no self." necessity for any," he replied. "But how to A LADY'S CONTEMPT FOR." UNMENTION. dispense with the review is the puzzle. I will ALES."-Mrs. Olivo Logan, in a speech at be ill in the morning; so go home and think the Brooklyn woman's meeting said,-"I THE LATE MR. JOHN MAJOR. no more of the matter.
